

# Family Den Collection - 51802

## FEATURES

With its sumptuous comfort and designer style, no wonder this power reclining sectional is such a crowd pleaser. Looking for a new twist on neutrals? Then you're sure to love how this power sectional's stone-tone padded velvet fabric is delightfully different, yet sure to blend beautifully with countless color schemes. Rest assured, the one-touch power control with adjustable positions includes an Easy View™ adjustable headrest that lets you lay back and still have a primo view of the TV. Zero-draw USB plug-ins at your fingertips keep you powered up as you chill out.
